Pearson, United States, 2014. Book. Condition: New. 4th ed. Language: English. Brand new Book. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- For undergraduate Introductory Management Information Systems courses. Exploring how people use IS to solve business problems, this engaging introduction explains why MIS is the most important course in the business school-showing students how businesses use information systems and technology to accomplish their goals, objectives, and competitive strategy. Three unique Guides per chapter focus on the themes of ethics, security, and other timely topics; a number of illustrative cases, exercises, projects, and other aids ensure that students connect the knowledge in the text to everyday life. With a new edition now publishing each year, MIS Essentials, Fourth Edition contains fresh, new, and current material to help keep your students up to date. Teaching and Learning Experience This program will provide a better teaching...
